

Janney PTA Newsletter Policy

The Janney PTA Newsletter is a weekly publication for communications from the Janney Elementary School PTA and faculty to Janney families, dedicated to building a sense of community among students and adults associated with the school. Its editorial board consists of the editor(s), the sitting PTA president(s), and the principal, who have final responsibility for its content.

The Newsletter strives to:

- Enable Janney families to be informed of and involved in the school, both at the classroom level and beyond;
- Encourage participation from the broadest possible range of Janney families in school-related opportunities,
- Celebrate the contributions and accomplishments of members of the Janney community; and
- Achieve balance and impartiality.

At the discretion of the editorial board, the Newsletter may also provide space for communications not directly related to school activities but otherwise of interest to and appropriate for Janney students and their families. Such articles will be included on a space-available basis, and must be not greater than 125 words in length.

The Newsletter does not print advertisements for profit-making ventures, whether private or commercial. Nor does it print articles advocating positions on matters under debate beyond Janney, although the editors may, at their discretion, accept articles conveying facts concerning meetings or other resources available to explore such an issue.

The Janney PTA Announce email distribution list is a mechanism for relaying urgent or time critical information to the portion of the school community who has agreed to receive electronic communication. Correspondence on the Janney PTA Announce list strives to satisfy the same objectives as the Janney PTA Newsletter.
