

LSAT Meeting Minutes
March 15, 2011

- The meeting opened with a report from our SGA representative, Emily Oliphant. She noted the student government's plans for a sock hop this spring and discussed admission payment options. She also mentioned that the school's next spirit day would be History Day.
- Principal Lycknell discussed Janney's participation in spelling bees. She noted that there are two different options for Janney students. The first is the DCPS spelling bee and the second is the DC3 Collaborative spelling bee. Last year the students participated in the DC3 spelling bee. However, she is willing for Janney students to participate in both if there is sufficient interest.
- Principal Lycknell announced that the Family Engagement Plan process is being revised. The LSAT will hear a report on this initiative at its next meeting.
- Principal Lycknell asked for LSAT feedback on the data included on Janney's draft DCPS School Scorecard.
- The LSAT engaged in a detailed discussion of Janney's 2011-12 school budget allocations. The LSAT approved the budget as it was submitted to DCPS. The budget can be found at:
