The restaurant shuffle will be starting.

She asked for feedback and questions from the other LSRT members. There was some discussion about the Paw Prints program.

Norah discussed the idea of writing surveys for the purpose of surveying the parent and teacher body. She asked that each committee brainstorm topics and questions to be included in the surveys, with the idea that right now the committees are just generating ideas. Norah would like the LSRT to be very involved in the survey development process. The goal is to develop a tool that can be used for planning 2-3 years out.

The group also discussed issues of safety and security that had recently arisen at the school. Norah agreed to send out a memo to the parents clarifying some of the recent concerns and steps taken to address them.
